INSIDE MSR:

Looking ahead to the fall sports seasons

WHY KIDS IN INDIANA WANT TO BE IN THE STEEL BUSINESS WHEN THEY GROW UP.

At Nucor, we hire the best and the brightest for our Sheet Mill in Crawfordsville. Then we give them the freedom to spot problems and solve them on their own. Finding ways to be more productive. We then reward productivity with pay-for-performance, weekly performance bonuses that can sometimes double their take-home pay. We provide a scholarship program for every child of every employee for every year of their post-high school education. We have never in our history laid off an employee for reasons of not enough work. And as any self-respecting kid knows, Nucor is a favorite of Fortune® and Forbes, annually making their lists of America's top companies. Ranking is right up there as a career choice with astronaut, fireman and cowboy.
