➔ THREE THINGS You Should Know:

1 Governor Eric J. Holcomb is directing flags to be flown at half-staff in Marion County to honor the life and sacrifice of Richard C. "Hank" Potter of Indianapolis. Hank Potter served as the Engineer of the Wayne Township Fire Department since 1999. He remained the Engineer on Ladder 82 until his death. Potter died in the line of duty on May 10, 2022. Flags should be flown at half-staff sunrise until sunset on Thursday, May 19 in Marion County. Gov. Holcomb is asking businesses and residents in Marion County to lower their flags.

2 Indiana paddlers have a unique opportunity to observe wildlife while enjoying Indiana's water resources. Indiana DNR would like more information about the wildlife that spend time around Indiana's waterways and asks paddlers for help. Volunteer paddlers can sign up to complete paddling trip postcards documenting the wildlife they observe while floating from June 1 to July 31. Volunteers will be mailed a packet upon signup. Previous volunteers will be mailed a new packet and do not need to sign up again. The information collected will allow wildlife managers to estimate changes in key wildlife populations over time. Visit <https://www.in.gov/dnr/fish-and-wildlife/wildlife-resources/paddlecraft-wildlife-index/> to find out more and get involved.

3 As we grow older, many of us begin to think about things we wanted to do but didn't, says the Association of Mature American Citizens [AMAC]. Take Raymonde Sullivan of Sebastian, FL. She celebrated her 100th birthday recently and suddenly realized she did a lot of things in her life such as serving as a front line nurse in World War II treating wounded soldiers but that she'd never been skydiving. So, off she went to the local airport, got airborne and completed a tandem jump. "I had never done it, and I've done a lot of things in 100 years so I thought I must do it while I can," she said. When Raymonde landed she downed a rum and Coke and said it was scary and wouldn't do it again.

#4 in the Dunbar Saga – Eliza, One 'Cool' lady!

KAREN ZACH
Around The County

Eliza Dunbar was born in Ross County, Ohio the 4th day of 1827 and moved to upper Montgomery County when she was about three with her parents (Lewis and Polly Powers Dunbar), three brothers, William, Silas and John Adam and

her tiny baby sister, Susan. She grew up here and met and married Calvin Harker Cooley (25 Nov 1821 – 9 Oct 1894) at the age of 15 (May 1842). Calvin had learned to be a brick maker and also threshed with his brother, owning a large eight horse powered thresher, having no competition in the area, so it was a profitable endeavor. His parents were Joseph and Elizabeth (Allen), who purchased land in the early days, property that was partially in Tippecanoe and partly in Clinton County, but not too far away from the Dunbar family's property in MoCo. He had at least three brothers and a sister, plus three more half brothers. Thus, the Cooley family was also early comers to the Bowers – Colfax area and were also from Ross County, Ohio. Paul M. George

December 29, 1929

Paul M. George was born on December 29, 1929 to Paul M. George Sr. and Virginia Cecile (Coate) George.

Mr. George married Janet L. Smekens on October 8, 1950. They were high school Sweethearts. The Muncie Central High School Class of 1948 voted them Dream Guy and Dream Girl.

He graduated from Muncie Central High School in 1948. Mr. George was a talented quarterback and one local newspaper reporter referred to him as Paul "the fleet" George. He was also on the Muncie Central High School Basketball team that went to state in 1948. He graduated from the former General Motors Institute (now Kettering University) in 1953 with a Bachelor Degree in Industrial Engineering.

Mr. George worked for the Delco Remy Division of General Motors for 40 years, starting as a foreman at Muncie Battery and ending his career as Chief Engineer of the Heavy Duty Products. He spent 8 years in Laurel, MS as the founding plant superintendent. After his retirement from GM, Mr. George started a business (The Train Man) designing and building scale model railroads (mainly G scale) for restaurants, hospitals, office waiting rooms and individuals.

He could build a barn, wire a house, build beautiful furniture and refinish antique clocks. Mr. George taught many of these things to his children and grandchildren with great patience and joy. He frequently said his favorite thing was just for the family to get together for special occasions and holidays. Christmas was "magical" at Grandma and Grandpa's house with multiple trees, lights, trains and more. For many years he had a Christmas Train layout with sounds in his front yard for all to enjoy.

He and Janet were active members of the Indiana Large Scale Railroaders and he was past president. Mr. George attended East 91st Street Christian Church of Castleton for many years and particularly enjoyed his Sunday School class.

BBB Tip: Buying Tickets to the Indy 500? Don't Get Scammed

Thanks to the internet, there are countless ways for consumers to find tickets and connect with online marketplaces, ticket sellers, and resellers. Even so, securing tickets to popular events, like the upcoming Indy 500, can be difficult and competitive. Unfortunately, some tickets are rip-offs, and it's not always clear how to tell if it's a fake.

Last year, BBB received more than 140 reports on BBB Scam Tracker about ticket scams related to sporting events, concerts, theatre and more.

The Better Business Bureau (BBB) and the National Association of Ticket Brokers (NATB) are working to raise awareness and educate fans about the smartest ways to buy tickets on the secondary resale market.

Here are some tips for buying tickets:

- **Purchase from the venue whenever possible.** Many official ticket sales agents now offer secondary sales options, as well.
- **Check out the seller/broker.** Look them up on BBB.org to learn what other customers have experienced. Check to see if they are a member of the National Association of Ticket Brokers. NATB members offer a 200% purchase guarantee on tickets. Look up the seller on VerifiedTicketSource.com to confirm you are buying from an NATB-member resale company.
- **Buy only from trusted vendors.** Buy online only from vendors you know and trust. Look for the lock symbol in the web address to indicate a secure

are three secure ways to purchase your tickets to avoid fraud: Directly from their website, in person at the ticket office or by telephone at either (800) 822-4639, or locally at (317) 492-6700.

• **Consider your source.** Know the difference between a professional ticket broker (a legitimate and accredited reseller), a ticket scalper (an unregulated and unlicensed ticket seller), and a scammer selling scam tickets.

• **Check out the seller/broker.** Look them up on BBB.org to learn what other customers have experienced. Check to see if they are a member of the National Association of Ticket Brokers. NATB members offer a 200% purchase guarantee on tickets. Look up the seller on VerifiedTicketSource.com to confirm you are buying from an NATB-member resale company.

• **Buy only from trusted vendors.** Buy online only from vendors you know and trust. Look for the lock symbol in the web address to indicate a secure

purchasing system. Don't click through from emails or online ads; a common ticket scam trick is to create a web address that is similar to a well-known company.

• **Know the refund policy.** You should only purchase tickets from a ticket reseller that provides clear details about the terms of the transaction. Sellers should disclose to the purchaser, prior to purchase, the location of the seats represented by the tickets, either orally or by reference to a seating chart; and, if the tickets are not available for immediate access to the purchaser, disclose when the tickets will ship or be available for pick up.

• **Use payment methods that come with protection.** Always use a credit card so you have some recourse if the tickets are not as promised. Debit cards, wire transfer or cash transactions are risky; if the tickets are fraudulent, you won't be able to get your money back.

• **Be wary of advertisements.** When you search the web for online tickets, advertisements for cheap

tickets will often appear. Use good judgment; some of these ads are going to be ticket scams, especially if the prices are low.

• **If you're unsure, verify your tickets.** Pay a visit to the arena where the event will be held. Present your ticket to "Will Call" (customer service) and they can verify if your ticket is legitimate and show you how to tell if a ticket is fake.

Go to BBB.org to look up online marketplace business profiles, file a complaint, or write a customer review. Visit BBB Scam Tracker to research and report scams.

THE GREAT MONTGOMERY COUNTY SCAVENGER HUNT 2022

CURRENT CLUE

THERE WAS A YOUNG MAN IN OUR COUNTY WHO STUDIED SUICIDE FOR YEARS AND EVEN MANUFACTURED "MEDICINE" FOR THAT PURPOSE. HE PLANNED HIS OWN SUICIDE, AS WELL AS HIS FUNERAL, REQUESTING A BAND PLAY. HE HAS ONE OF THE TALLEST, MOST IMPRESSIVE TOMBSTONES IN THE COUNTY. WHO IS HE AND WHERE IS HE BURIED?

PREVIOUS CLUES

CLUE 1 - WHERE WOULD THESE NAMES BE FOUND IN CRAWFORDSVILLE AND WHY WOULD THEY BE LISTED TOGETHER? ZEPHANIAH BALL; JAMES R. CARNAHAN; ISAAC C. ELSON; SAMUEL B. FERGUSON; SMITH S. FRY; THOMAS W. FRY; JOHN P. HAWKINS; JESSE L. HOLMAN; LYCURCUS RAILBACK; ROBERT SPIELMAN; SAMUEL C. VANCE; WILLIAM C. WILSON; JOSEPH M. WISHARD; AND A LOT MORE.

CLUE 2 - A SHIP WAS SUNK AND HOSTILITIES BROKE OUT. HUNDREDS OF MEN LOST THEIR LIVES AND NOT LONG AFTER THE UNITED STATES WAS INVOLVED IN A WAR. ULTIMATELY, THAT LED TO THE ERECTION OF A MONUMENT RIGHT HERE IN MONTGOMERY COUNTY. WHAT IS THE MONUMENT, WHERE IS IT LOCATED AND NAME ONE OF THE MEN INCLUDED ON THAT MONUMENT WHO FOUGHT IN THAT WAR?

CLUE 3 - FIND THE NAME AND PLACE OF A HOME WHICH SERVED AS AN INN AND HAD SEVERAL IMPORTANT VISITORS, INCLUDING WILLIAM HENRY HARRISON AND HIS MEN. THIS CLAPBOARD HOME EXISTED FOR CLOSE TO 100 YEARS IN OUR COUNTY AS A TRADING POST, TAVERN, POLITICAL AND CIVIC CENTER. IT WAS A PERFECT STOPPING PLACE BETWEEN TWO CITIES BEGINNING TO GROW AS IMPORTANT INDIANA CENTERS (LAFAYETTE AND TERRE HAUTE).

CLUE 4 - IN A SMALL CEMETERY INSIDE THE COUNTY, A MAN HAS A UNIQUE WHITE-BRONZE TOMBSTONE WITH AN URN ON THE TOP. MUCH INFORMATION CAN BE FOUND THERE. HE DIED IN 1863 AND HE WAS 64 YEARS OLD. THERE'S ALSO AN UNUSUAL MESSAGE TO HIS FAMILY. "FAREWELL MY WIFE AND CHILDREN ALL. FROM YOU A FATHER CHRIST BOTH CALL; MOURN NOT FOR ME IT IS IN VAIN. TO CALL ME TO YOUR SIGHT AGAIN! THERE ARE OTHER VERSES AND IMAGES. WHO DOES THE TOMBSTONE BELONG TO AND IN WHICH CEMETERY CAN IT BE FOUND?

CLUE 5 - GEORGE FRUITS IS BELIEVED TO BE THE OLDEST SURVIVING LOCAL SOLDIER OF THE REVOLUTIONARY WAR. SOME HAVE FOUND PROOF AGAINST THAT BUT AN ADDENDUM TO HIS TOMBSTONE WOULD ARGUE THE POINT. WHERE IS HE BURIED AND WHAT DOES THE PLAQUE SAY IN REGARDS TO PROOF OF HIS AGE AND SERVICE.

in White County and I imagine they stem from the same Kious Ross County settlers in the upper Franklin Township area of MoCo.

Eliza and Calvin lived on rented property in Clinton County, then moved to Montgomery purchasing 80 acres (History of White and Pulaski Indiana) which they sold later and moved to their long-time home near Brookston (thanks Dana and Mary Jo). Their home was brick of course, Calvin molding each himself. They were active members of the Methodist Episcopal

Church, Eliza being a life-time member.

Six children were born to this couple with only two growing to adulthood. Harrison was born not long after their marriage and died at age nine months. William and Moses were both born in 1846 and imagine they are twins, as there are other twins born in the Dunbar families, William passing at age seven and Moses not living to an old age, either, passing before both parents (1890) but marrying (Lucretia Meek) and leaving three grandsons for the Cool-

eys (Edward, Jesse and Sanderson).

Luther Cooley lived 14 months and Mary C. passed in November 1851 at age seven months. They are pretty much all buried in Union Cemetery, Clarks Hill (photo from FindAGrave added by Gean Jenkins-Dunbar - love it).

Then they had the longest living child, Martha Alice born 30 November 1854 and passing early in the flu epidemic (October 20th, 1918). She and her husband Charles Boeye, a Frenchman lived in Brookston and after Eliza's husband died

suddenly in 1894 (her brother, Rev. Lewis, and sister, Bettie Bow-ers were called to her home as she was literally prostrated at his death notice - didn't find what happened exactly but it was quick and she was obviously and rightfully devastated). Afterwards, Eliza lived at her daughter and son-in-law's home, helping with their only child, daughter Grace.

I can imagine losing a child as our daughter Suzie was given very little chance to make it at her birth. It was touch and go for several days

and we weren't real sure for weeks after her birth, but she showed 'em of course, and it was indeed devastating, as the other mothers were brought their babies to feed and I just lay there or would get up and go watch her try to breathe in the incubator. Eliza Dunbar Cooley lost five of her six children before her own passing. Having lived through the horror of almost losing one baby, it would be so very hard for her to endure each of those. Luckily, she was blessed with four grandchildren and I imagine quite close

to Grace since she grew-up with gma' Eliza so to speak living in their home. While living with the Boeye family, she made many friends there and still had many in the Darlington area who mourned her demise. RIP Eliza, you were a pretty, "cool" lady!

percent of applicants were Indiana high school seniors with the remainder comprised of current college students.

To qualify for the scholarship, students had to either graduate in the top 20 percent of their high school class, earn a score in the 20th percentile on the SAT or ACT, or have at least a 3.5 cumulative GPA.

"Recipients of the Next Generation Hoosier Educators scholarship will bring dedication, creativity and passion to classrooms across the state," said Indiana Commissioner for Higher Education Chris Lowery. "Teachers play an important and vital role in preparing students for ac-

ademic and life success. It's encouraging to see so many students committed to teaching in Indiana as the number of applicants increases each year."

To continue earning the scholarship in college, students must earn a 3.0 cumulative GPA and complete at least 30 credit hours per year. Students who received the scholarship for the 2022-23 academic year are listed by county online at <https://learnmoreindiana.org/wp-content/uploads/2022/05/220512-Next-Gen-List-of-Recipients.pdf>.
