*Philippians 3:7-8 But what things were gain to me, those I counted loss for Christ. Yea doubtless, and I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord: for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ.*

**THREE THINGS You Should Know:**

**1** The Indiana Department of Transportation announces restrictions on State Road 75 starting on or after Monday, April 24, for a resurfacing project. The restrictions will be between U.S. 36 and Elm Street in Jamestown. There will be alternating lane restrictions on several sections of this stretch of S.R. 75. Traffic will be controlled by a temporary signal, along with flaggers. The restrictions are expected to last through the end of November, weather permitting.

**2** Some automobile owners are willing to pay an extra hundred bucks or so for customized plates. But that's "chump change," as they say, among auto aficionados attending a recent Most Noble Numbers charity auction in Dubai. A license plate with the letter and number "P-7" [the significance of which is a mystery] sold for \$14,975,356 making it the most expensive license plate ever purchased, according to the judges at the Guinness Book of World Records. They don't call them "vanity" plates for nothing.

**3** The Carnegie Museum of Montgomery County is currently seeking artwork highlighting the diverse landscape of Montgomery County featuring the ever changing ways water interacts with the environment. Artists should send images of their art to Janna Bennett at [jbennett.carnegie@cdpl.lib.in.us](mailto:jbennett.carnegie@cdpl.lib.in.us) or call 765-362-4622 to make an appointment to show the work during a Zoom meeting or to make other arrangements to view potential art work. Submission deadline is July 15, 2023. A decision will be made by the curatorial team by August 1, 2023 on selection of art to be included. The exhibit will be on display from Aug. 26, 2023 to Oct. 21, 2023.

Breaking ground was a team effort involving Nucor, government and community.

# Nucor Pumps \$400M, 80 New Jobs Into Community

**The Paper**

The sky overhead was dismal and gray in stark contrast to the bright sunshine and warmth emanating all over southeastern Montgomery County Friday morning.

Just off Nucor Road, at the home of Nucor Steel's local facility, Indiana Gov. Eric Holcomb, Crawfordsville Mayor Todd Barton and County Commissioner President John Frey gathered with Nucor executives and team members to break ground on a \$400 million expansion that will create 80 high-paying jobs.

"These are great careers, these aren't just jobs," Holcomb told an assembled crowd of approximately 200. "Indiana is the No. 1 steel-producing state in America," Holcomb said. "Thank you (Nucor) for putting us in that position."

Nucor plans to invest \$290 million in the expansion and modernization of its sheet mill operations at the Crawfordsville plant. This means adding a construction grade continuous galvanizing line and prepaint line to its operations. The galvanizing line will have a capacity of 300,000 tons per year, and the prepaint line will have an annual capacity of 250,000 tons. The upgraded production capabilities will further expand Nucor's existing operations across North America.

Holcomb was quick to give credit to the local community leaders, as well as Nucor corporate, for making this project a reality.

"This is a pretty special team here," Holcomb said in reference to Nucor officials,

Gov. Holcomb said the news is "a win, win, win, win!"

Frey and Barton. "Someone like Mayor Barton gets it and leads the way," Holcomb added later. "I would call him a global leader. And how lucky is Nucor to have a partner like Commissioner Frey. (This news today is) an amount that's literally felt and heard around the world."

Nucor's Dan Needham, an executive vice president at corporate headquarters and former local general manager, said none of the expansion would be possible with the team in Montgomery County. He explained that \$290 million would go toward the 80 new jobs and that the remaining \$110 million goes toward capital improvements.

"I know this," he told the crowd. "A strong community creates a strong business environment."

Frey agreed. "This is a huge day for

Montgomery County," he said. "Montgomery County has a national spotlight on us today. We have created the environment here that people, businesses and industry want to be a part of. Job creation is always the goal of local leaders, but job retention is even more important. Keeping our best employers in our community is paramount. This \$400 million investment assures that Nucor is not going anywhere."

Barton was the final speaker and quoted from the book *American Steel* by Richard Preston, talking about the bare square mile of Montgomery County farm ground that eventually grew into the local giant that Nucor is today.

"It's impossible to imagine this community without Nucor today," Barton said. "We celebrate Nucor's continued commitment and their unmatched corporate leadership."

## Giving Every County In District 23 An Economic Engine

**SPENCER DEERY**  
Guest Columnist

Are we making the right decisions as a state to use our land in ways that will maximize economic growth and minimize food insecurity? A bill I sponsored would create a land use task force to study food insecurity in both rural and urban areas, as well as growth trends across Indiana. It passed the Senate unanimously Monday.

I believe every county in District 23 deserves an economic engine of its own. My hope in getting behind this legislation is that it will lead to concrete actions that will spark economic growth in all of District 23, but especially in Fountain, Warren, Vermillion and Parke counties.

House Enrolled Act 1132 would establish a 13-member task force with six legislators and seven members appointed by the governor representing industries such as residential construction and agriculture.

Recommendations to help communities attract development in the future would be reported to the Committee on Legislative Council by July 1, 2024.

The legislation now heads to the governor's desk for consideration.

Increasing High Speed Internet Access

I compare the need for rural broadband to the need for rural electricity a century ago. It's just as essential for economic growth and daily life. As a new State Senator, I am just getting started in working on this issue, but I wanted to pass on that the Indiana Office of Community and Rural Affairs has started the Indiana Connectivity Program, which helps fund projects to expand broadband access throughout the state.

The state announced Wednesday that it has awarded \$842,000 in funding to spread broadband internet to

206 households and 10 businesses in Indiana. Unfortunately, District 23 was only a small recipient with four locations in Tippecanoe County for \$19,200 and one address in Parke County for \$4,800.

One way you can assist is to help create a better map of the areas in most need of connectivity and to challenge false assertions that your address has broadband when in fact it doesn't. Please visit this link from the Purdue Center for Regional Development to learn how to do so. If you have connectivity but know someone who doesn't, please help them through this process so that their address can be confirmed as one in need.

Working on a Budget  
 The state's budget is a work in progress and there are still a few priorities I would like to see adjusted, but Senate leadership released their budget proposal this week. The proposed Senate budget is balanced and includes historic funding for K-12 education. It also would increase salaries for Indiana State Police and pay down our long-term pension obligations.

Budget highlights include the following:

- \$3.1 billion to the Pre-1996 Teachers' Retirement Fund, which, when fully funded, will free up \$2 billion in the state's biennial budget
  - \$2.5 billion in new money for K-12 education, including \$1.1 billion in new tuition support and eliminating textbook fees for all families
  - \$95 million to increase pay for State Police, conservation and excise officers
  - \$500 million to help local communities with capital projects
  - \$225 million to create an optional local public health grant that counties can use to improve public health services, and \$35 million to expand the state's mental health infrastructure and support
  - \$75 million to help local communities invest in housing development
- If you have thoughts on budget items you would like me to fight for or against, send me a note at S23@iga.in.gov.

*Spencer Deery is the State Senator for District 23, serving portions of Montgomery, Fountain, Tippecanoe, Parke, Vermillion and Warren counties.*

## Property Tax Payment Deadline Approaching

Property tax bills are mailed one time each year and should be arriving in the mail. They include payment coupons for the spring and fall due dates. The final day to pay spring taxes without penalty is May 10, 2023. If you choose to only pay the spring taxes at this time, please hold onto your fall payment coupon to use this fall.

Some taxpayers are noticing a higher bill, which could be due to a few different factors including assessed values, tax rates, and tax deductions. The Indiana form TS-1A on page 2 of the tax bill shows a two-year comparison of taxes and will indicate where the increase is occurring. Taxpayers can also research their parcels and current balances at [www.beacon.schneidercorp.com](http://www.beacon.schneidercorp.com) or [www.montgomerycounty.in.gov](http://www.montgomerycounty.in.gov).

You are entitled by law to receive a tax statement, even if the balance is zero or a mortgage company has marked your parcel "in escrow" and plans to pay it for you. If your taxes are zero or if your mortgage company is paying on

your behalf, you do not need to send anything to the Treasurer's Office.

Payment Options:

- Pay at the office.

The Treasurer's Office is located in the Montgomery County Government Center and is open Monday-Friday from 8 a.m. - 4:30 p.m. at 1580 Constitution Row. Please be aware that beginning April 17 there will be road construction on Constitution Row lasting approximately two weeks. Please allow for extra time, as that road could be reduced to one-lane traffic.

- Use a Drop Box. A secure drop box is located on the south side of the County Government Center under the awning and is checked multiple times daily. We encourage the use of checks for this box. When using the drop box, please put payments in an envelope and mark them clearly with information to identify the taxpayer, the address, and the parcel. Your canceled check will serve as a receipt or you can include a self-addressed, stamped envelope to receive a returned receipt. Confirmation of payment

history is available to view online for your parcel at [www.beacon.schneidercorp.com](http://www.beacon.schneidercorp.com).

- Mail Payments.

Please mail payments to the Treasurer's Office at 1580 Constitution Row, Suite B, Crawfordsville, IN 47933. If a receipt is desired, please include a self-addressed, stamped envelope.

- Pay at Local Banks.

All Montgomery County First Financial, Hoosier Heartland, and Tri-County branches offer a great service to our county residents by accepting payments during the tax season. This is in effect now through the due date as long as you have the payment coupon and pay that exact amount. The drive through service is available. You will receive a receipt from the bank. Pay Online. The county website is [www.montgomerycounty.in.gov](http://www.montgomerycounty.in.gov). On the home page, select Online Bill Pay. Next choose the Property Tax, Dog Taxes & Tax Payments option. Multiple parcels and dog taxes can be paid in the same transaction. Please be aware that using any

type of debit or credit card will accrue a 2.95% service fee. Using bank routing numbers instead for an e-check payment has only a .95 charge.

- Pay by Phone. By using the secure access line of (855) 276-8051, taxpayers can make payments over the phone by entering the parcel number. Service fees apply.

For questions, please contact the appropriate Montgomery County office: Tax payments: Treasurer- 364-6410, [treasurer@montgomerycounty.in.gov](mailto:treasurer@montgomerycounty.in.gov)

Tax time is very busy and using email might be the best option for our office. We will respond to an email within 24 business hours.

- Deductions: Auditor- 364-6400, [auditor@montgomerycounty.in.gov](mailto:auditor@montgomerycounty.in.gov)

- Address changes: Mapping- 364-4123, [mapping@montgomerycounty.in.gov](mailto:mapping@montgomerycounty.in.gov)

- Ditch Reconstruction fees: Surveyor- 361-3234.

## Gov. Holcomb, INDOT Award More Than \$133 Million Through Community Crossings Grant Program

Gov. Eric J. Holcomb

Governor Eric J. Holcomb and the Indiana Department of Transportation (INDOT) announced 224 Indiana cities, towns, and counties that will receive a combined \$133.4 million in state matching funds for local road projects through Community Crossings, a component of Governor Holcomb's Next Level Roads program.

"The continued success of the Community Crossings program becomes more evident each year," said Gov.

Holcomb. "Improving transportation infrastructure at the most local level makes communities that much more attractive for business and Hoosier families alike to connect and grow."

Communities submitted applications for funding during a highly competitive call for projects in January. Applications were evaluated based on need and current conditions, as well as impacts to safety and economic development. Funding for Community Crossings comes from the state's local road and bridge

matching grant fund. The Community Crossings initiative has provided more than \$1.27 billion in state matching funds for local construction projects since 2016.

"Safe, modern infrastructure at the local level makes Indiana's transportation network stronger," said INDOT Commissioner Mike Smith. "Partnering with locals on these projects is something INDOT looks forward to each year. The hard work and dedication of local entities to secure these funds and make improvements in their communities does not go unnoticed."

To qualify for funding,

local governments must provide local matching funds of 50 percent for larger communities or 25 percent for smaller communities and have an asset management plan for maintaining existing roads and bridges. Indiana law requires annually that 50 percent of the available matching funds be awarded to communities located in counties with a population of 50,000 or fewer.

State lawmakers identified long-term funding for Community Crossings as part of House Enrolled Act 1002, passed by the legislature and signed into law by Gov. Holcomb in April 2017.

# Duke Energy Reminds Customers To Call 811 Before Beginning Spring Digging Projects

April is Safe Digging Month, and Duke Energy is reminding customers and communities to call 811 before digging to protect the nation's underground utility infrastructure.

"A spring yard project can quickly turn into an emergency if you don't plan ahead and call 811," said Brian Weisker, Duke Energy senior vice president and chief operations officer, natural gas. "Calling 811 is the best way to prevent

costly and potentially dangerous damage to underground utility lines."

**Can you dig it?**  
Yes, you can. The national 811 "Call Before You Dig" system was created so anyone who plans to dig can make a free call to have underground utility lines clearly marked. Contractors, homeowners, business owners and anyone preparing for an excavation project should call 811 at least three business days before

digging begins. The local utilities will send a crew to mark underground lines in the area (electric, natural gas, water, sewer, phone, cable TV and others) with stakes, flags or paint.

In 2022, Duke Energy reported approximately 475 damages to its underground electric network in Indiana.

"Our highest priority is the safety of our customers, employees and communities," said Weisker. "We want everyone to enjoy their time outside this spring and begin their yard projects with safety in mind."

For additional information about 811, visit Call 811 Before You Dig. To get in touch with the 811 center in your state, dial 811 or visit call811.com.

# Better Business Bureau Serving Northern Indiana To Host Free Shred Day April 22

BBB Serving Northern Indiana will host its free Shred Day on Saturday, April 22. Drive-up document shredding will take place at the Allen County

War Memorial Coliseum parking lot off Coliseum Blvd, 4000 Parnell Avenue, Fort Wayne, IN 46805. Hours are from 9 a.m. to noon, or until the trucks are filled.

The event is free, though a minimum \$5 donation to the BBB's Charitable and Educational Fund is encouraged. BBB's Charitable & Educational Foundation is a recognized 501c(3) that provides education to consumers and business leaders. Programs include Annual Torch Awards for Marketplace Ethics, Students of Integrity Scholarships, Shredding events and

Scam Awareness and Avoidance programs.

BBB Serving Northern Indiana invites the public to bring up to five boxes of documents to be securely shredded on-site. Binders and cardboard cannot be accepted but staples, CDs, and floppy disks can be shredded.

Suggested documents to shred include:  
 • Bank statements, pay stubs, and medical bills more than a year old  
 • Paid utility bills more than a month old  
 • Pre-approved credit card or loan solicitations  
 • ATM receipts  
 • Tax documents more than seven years old

# Witham Hosts Volunteer Organization Annual Awards Banquet & Appreciation Lunch

A fun and upbeat luncheon was enjoyed by the Volunteers and Chaplains at the Witham Volunteer annual awards banquet and appreciation luncheon, hosted by Witham Health Services on April 12, 2023.

Steve Bardoczi, VP for Witham Health Services expressed his and the hospital staff's appreciation for all the work performed by the many Volunteers and Chaplains throughout the year. Mr. Bardoczi shared with the guests that, with the help of the volunteers Witham is able to provide the exceptional patient experience that we are known for, noting the volunteers and chaplains help to make a difference in the lives of our patients each day. Many volunteers are often the

first and last person the patient encounters in their visit to Witham, leaving a lasting impression with those they help.

Amy Mitchell, Director of Volunteer Services commented that the Witham volunteers bring so much value, joy, encouragement and support to our patients, staff, hospital and community at large, noting we are truly blessed to have such an amazing team of individuals who want to give their time and talent to support Witham and care for our patients.

Ms. Mitchell further noted there are now more than 40 volunteers at Witham that help in over 20 different areas and departments of the hospital, and celebrated that Witham volunteers donated over 5,000 hours of their

time in 2022. Ms. Mitchell noted volunteers range in age from 17 years to 91 years young, and Witham's longest tenured volunteer is Lenda Vickery who has been volunteering for more than 30 years, starting at the original hospital. Witham is grateful and honored to celebrate all the volunteers who give their time and make a difference for our patients. We couldn't do all that we do without them, Mitchell said.

Ms. Mitchell also presented the Volunteer of the Year award to Mary Pat Shepherd. Mary Pat volunteers at the main registration desk on Tuesday mornings and Wednesday afternoons as a patient service representative and patient transport, and also assists with Dr. Schmidt's team

as a patient liaison and patient navigator for their cancer patients. She was also one of the first faces of Witham's "What Matters to You?" campaign here at Witham, participating in one of the campaign videos as a patient. If that isn't enough, Mary Pat also sits on the Witham Volunteer Organization Scholarship Committee, and serves as the President of the Witham Volunteer Organization Board, helping behind the scenes in many other ways. Mrs. Shepherd has been volunteering at Witham for over 4 years.

Ms. Mitchell also introduced the Witham Health Services Volunteer Board, which is comprised of MaryPat Shepherd - President, Denise Long - Vice

President, Pat Klee-man-Treasurer, Ann Lynch -Secretary and Jane Johnson, Volunteer Board Past President.

Witham is always looking for new volunteers to join our team! Volunteering is a great way to foster community involvement while helping others. The volunteer program at Witham has been in existence for nearly 100 years, and volunteers have always made a tremendous impact, giving of their time and talents.

Some of the many volunteer service areas available include patient transport, guest services representative, retail sales associate, pastoral care and more! Volunteers work in four-hour shifts from either 8a-12p, 12p-4p or 10a-2p, at

least one day per week. Volunteers will also participate in a one-day orientation, department-specific training, and annual mandatory education. Additional perks that Witham volunteers enjoy include participating in the annual awards banquet & appreciation lunch, National Healthcare Volunteer Week, the annual holiday luncheon and various other events throughout the year.

Other volunteer benefits include a complimentary meal for each shift worked and a discount at the Waterfall's Edge Gift Shop and Pavilion Boutique.

For more information about volunteering, contact Amy Mitchell, Director of Volunteer Services at 765-485-8175 or amitchell@witham.org
